ABOUT ME

I've built my career in the VFX industry driven by a long-standing passion for visual storytelling and technology. From an early interest to years of professional experience, I continue to push myself to deliver high-quality work that meets both creative and technical demands.

I'm a collaborative and approachable professional who values teamwork and a positive work environment. I take ownership of my work, have a strong attention to detail, and enjoy solving complex problems while maintaining high production standards.

I'm deeply passionate about cinema, advertising, and design, and I stay up to date with new tools and techniques to ensure my work consistently meets the expectations of clients and modern productions.
